Friendly Smile Membership Plan Contract:

Thank you for choosing our membership plan. The purpose is to offer patients, without dental insurance, a significant savings when the services are paid for in advance. ***The membership plan is not insurance.***

The term is 12 consecutive months. The plan automatically renews, on the anniversary of the inception date unless written notice is received, in our office, 45 days prior to renewal. The payment is a single renewing annual payment. ***The plan cost represents approximately a 30% savings off our regular prevention services fee.***

Indiana law regarding membership programs, allows you to cancel and receive a full refund within 30 days of initial sign-up. After the grace period, the plan cannot be cancelled and no refunds will be given. ***Services that have been rendered, prior to cancellation***, will be collected and immediately due at our regular and customary office fees.

Plan benefits may be forfeited if the patient fails to cancel a scheduled re-care appointment within 48 hours of the appointment or fails to shows up for a scheduled appointment.

Benefits of Our Plan

No Deductible, No Waiting Period (Immediate Eligibility) No yearly maximum on services, No Treatment exclusions or pre-authorization.

Limitations and Exclusions

Participants cannot have additional dental insurance coverage. Services for injuries or conditions which are covered under Worker's Compensation or other insurance coverage are exempt from our plans. Services that cannot be performed because of the general health, physical, or psychological limitations of the patient are exempt. Sedation is not covered under the plans.

Periodontal disease Limitation:

The benefits of this plan are offered to healthy patients who require routine cleanings only. Patients who develop periodontal or "Gum" disease may require a specialized treatment called scaling and root planing. Patients refer to this as a deep cleaning. Scaling and root planing is a therapeutic procedure that is typically administered with anesthetic and destroys harmful bacteria and removes hardened deposits below the gum line. A routine cleaning is a preventative and cosmetic procedure. If you require scaling and root planing, a 20% discount will be given off of our usual and customary fees.
